School attendance

All students should be at school unless:

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition
- they are currently unwell - cough, runny nose, etc

Term 3

School resumes for all students on the 21st July. Have a safe and relaxing holiday .

GROWING AND LEARNING

Our students continue to nurture our gardens and are excited to see results when they are able to harvest the produce. At the moment they are waiting for the tomatoes to ripen and the florets of broccoli to grow bigger. The gardens at school enable the students to be actively learning where our food comes from.

E-SAFETY

As parents we are often challenged with making sure that our children are safe online. Our children have embraced technology and it is part of their everyday life with a wide range of platforms available for them to engage with. Our students are taught e-safety as part of our weekly technology lessons. During these lessons they are involved in discussing and determining safe practices.

As we move into the holiday period it is worthwhile for families to view the following link as their is valuable information on how to ensure students stay safe.

STAFF CHANGES TERM 3

Next term we welcome back Mrs Quirk and Mrs Wallis. They will be replacing Mrs O'Hara. We would like to thank Mrs O'Hara for her commitment to working with our students during music and technology lessons.

Mrs Tame is so proud of your efforts!

If you are yet to use the star reading program or have lost your
booklet, please pop into the office and see Mrs Allen for a new booklet.

RESPONSIBILITY

Our Kindergarten students are already learning to be responsible. They know that our chickens need to be fed and watered everyday and this is a very important job.

CANTEEN NEWS

Potato Bake - The recipe has changed a little to align with the Healthy Canteen Strategy. Still very yummy @ \$5.00 (vegetarian/gluten free) Please remind your children to bring orders to the canteen before they go to class. We have had quite a few children coming up at lunch wanting hot food and this is when we are at our busiest. Nikki and I hope you have lovely holidays and come back refreshed. We will be looking forward to having our adult volunteers back next term. Thank you
Kim Owens
